Total £1500

LP asked if we are able to request what the £80 per head extra catch up funding is going towards. Discussed that as a parent we can but not as committee.

KP pointed out that the constitution states that the PTA Purpose is to 'advance the education of pupils' by 'Engaging in activities or providing facilities or equipment which support the school and advance the education of the pupils.' Therefore cleaning products and panto bus fees do not sit in with this. BS to feed back to school.

LP suggested we send minutes to news@ so that teachers are kept updated and they can go out to parents. LP to action once minutes are approved.
